

APodC Policies on:

## **APERF**

---

### **Establishing APERF**

The Council shall establish a research fund for the payment of research grants to members of state associations.

This Fund will be tax deductible, governed by trustees and called the Australian Podiatry Education and Research Foundation. Funding from this source is available only to podiatrists conducting research through a tertiary institution.

### **Funding APERF**

State associations and A. Pod. C. to donate their Malpractice Insurance Commission to Australian Podiatry Education and Research Foundation.
